Quick Quotes

Q. How was your round out there today? Did you feel pretty comfortable all day?

KH LEE: Yeah, starting first nine 4-under par, so very good momentum over there.

And then make eagle No. 13, so I try more birdie couple last hole, but good saves 16, 17.

So I think good momentum still here.

Q. You're a shot off the lead right now. You feel pretty good going into the weekend pending what the scores are this?

KH LEE: I think if now win here, maybe a lot of good guys maybe 5-under, 6-under par, so...

Hopefully still stretch tomorrow and Sunday, so hopefully get a chance is my goal.

Q. Has winning back to back years at the Byron Nelson boosted your confidence in any way?

KH LEE: Yes. Oh, yes, yes. Yeah, still I'm very happy memory over there, and then still my putter and iron games still good, so keep momentum well and hopefully more chance to win tournaments.

So, it's good time, yeah.
