**Q. Five birdies in your round today. What went well for you?**

ROBERT STREB: I guess I hit it pretty well. Hit a few putts, but I missed some short ones on No. 1 and No. 3. I can't believe I missed No. 1 after hitting a really good one. I felt like I hit it pretty well, gave myself some chances. Hit a few good pitches here and there and kind of hung around.

**Q. It looks like you got up-and-down five of five times. That helps.**

ROBERT STREB: Yes.

**Q. So was your short game working particularly well I'm guessing?**

ROBERT STREB: Yeah, I was chipping them pretty close for the most part, made a good par putt on 18, caught a gust of wind. But yeah, for the most part it went really well other than putting on 1 and 3.

**Q. After being so close last year, what kind of mindset did you bring into this week?**

ROBERT STREB: I haven't been playing very good, so just trying to play some good golf. Just trying to get going the right way and see what happens at the end of the week.

**Q. You've never missed the cut here at the Barracuda Championship, so I'm guessing you're a fan of --**

ROBERT STREB: I'm glad you didn't jinx me. Yeah, I like it out here for whatever reason. It has some similarities to Montreux, obviously a little flatter, different layout, but still a really nice place.

**Q. I know it's early, but what do you need to do this weekend to get yourself in contention on Sunday?**

ROBERT STREB: Probably just get as many birdies as I
