## Patrick Rodgers

### Quick Quotes

**THE MODERATOR:** Another great showing. Obviously disappointed with the finish. But your thoughts on the week overall.

**PATRICK RODGERS:** Yeah, obviously disappointed. I felt like I had control of the tournament. I had a putt to win, which was nice. So, bummed result. Kind of a crummy break there in the playoff. In the middle of the fairway to drive it in a divot. But that's just the way it goes. I'll come back stronger. I like the way my game is headed. I love putting myself in these positions. I know I'll be better for it next time.

**THE MODERATOR:** From my advantage point probably the most composed I've seen you on a Sunday. Seemed like you really had it going coming down the stretch. How can you learn from this moving forward?

**PATRICK RODGERS:** It was maybe, in this format, a little tentative the last five or six holes. But I felt like I tried to give myself chances for birdies. There was a few holes that were playing tough. Just didn't make the putts when I needed to, unfortunately.

**THE MODERATOR:** What's next for you?

**PATRICK RODGERS:** I need to keep pushing. There's a lot to play for here towards the end of the season. Hopefully use this as a little springboard to make a push in the playoffs.
