Quick Quotes

Q. Kevin, that was a heck of a match all the way down to 18. How would you describe the ebb and flow of that match?

KEVIN KISNER: Well, I didn't have my game, and I was riding Cameron pretty hard there, trying to pitch in where I could fit in.

I think they made a lot of birdies there in the middle of the round and got up, and we were able to capture some momentum. We just didn't make any putts all day to really gain the momentum and keep it rolling. They made a few to keep them alive. If we had putted better, I think we'd have a different result.

Q. You closed out your match yesterday with a great birdie putt on the 17th hole. Did you think you had that one here on 18?

CAMERON YOUNG: For a while I did. I think about halfway there, it looked pretty good, and then it just rolled by. I hit a good putt.

Q. How much more comfortable do you feel in these matches compared to last week?

CAMERON YOUNG: I feel very similar. I felt like I was pretty comfortable really from early on yesterday. We had a good time out there. I had a really nice day, and I've been relatively comfortable the whole time.
