### Quick Quotes

CHRISTIAAN BEZUIDENHOUT: Christiaan Bezuidenhout.

**Q. Christiaan, first Presidents Cup match. What did you take away from today?**

CHRISTIAAN BEZUIDENHOUT: It was awesome. Stepped on the 1st tee this morning, crowd was loud, wind was good. Yeah, it was a great experience, I thought.

**Q. Any nerves?**

CHRISTIAAN BEZUIDENHOUT: Definitely some nerves. But yeah, you try to use your nerves to your advantage and just try to play your own game.

**Q. Then you were able to score a half point. How big is that for the international team?**

CHRISTIAAN BEZUIDENHOUT: Yeah, it's huge for us. Mito and I made it hard for ourselves on some of the holes and stuff, but we got to even and got the half.

**Q. Strictly golf speaking, what are you proud of yourself today? Whether it's an aspect of the game, but what are you most proud of yourself?**

CHRISTIAAN BEZUIDENHOUT: Just keeping it going. We were 1 up on this day, then 1 down on this day. Just to stay calm, just keep your head down and go. It's a huge half point for the team. Hopefully we can just go forward from here.

**Q. How important was that half point for your team?**

CHRISTIAAN BEZUIDENHOUT: It was huge. Huge momentum. Going into 36 holes tomorrow, I feel that all the boys hung in there today. There was lots of red on the board early on. Mito and I just kept our heads down and ground it out.

**Q. How much can that help morale heading into tomorrow? You said it's a big day for you guys tomorrow.**

CHRISTIAAN BEZUIDENHOUT: Yeah, it's a huge day for us. Everybody thought it was going to be a walk over us this week, but most of the games went down to the last. We're putting up a good fight against this strong U.S. side.

Hopefully, a few of the points can turn our way tomorrow early. You never know.
