Quick Quotes

Q. What was the mood last night among the team after you guys finished when you got back to the team? What was the mood like?

MITO PEREIRA: Yesterday?

Q. Yeah, last night.

MITO PEREIRA: Obviously, we went 4-1, but this team's really nice. Everybody is just super just happy to be here and try to do our best. We keep pushing.

I mean, until it's over, we're going to try to have the hope.

Q. What's the difficulty of playing a team like the Americans?

MITO PEREIRA: Well, they make a lot of putts. So that's really important in this course more than anything. I mean, these greens are really fast and tricky.

I think if we can make some putts in the next two days, it's going to be tight.

Q. What do you think is your guys' team strength? Like your main strength?

MITO PEREIRA: I think we're young. We have just the enthusiastic power that we need. Everybody's really talented.

We're from outside of the United States, so we've got this big push that we can get together.

Q. How deep are you going to have to dig this week, and how deep will you have to fight?

MITO PEREIRA: Every day you've got to fight really hard. It's not easy.
