Quick Quotes

Q. K.H., congratulations. Your first Presidents Cup. Your first win. How has this experience been for you?

K.H. LEE: I felt pressure that I've never felt at any other tournament. And because of that, it's been more fun than any other golf tournament I've ever played.

Q. How much fun is it to play with Tom Kim out there?

K.H. LEE: He's got great energy. Although he's young, he brings a lot of positive vibe and he's got leadership. So it was a lot of fun to play with Tom.

Q. K.H., congratulations on a wonderful victory here this morning. You guys were, I thought, in control most of the way. You had a bunch of 1 up leads. They'd come back and tie, but you'd always grab the lead. Finished it off at the end. How pleasing was this to knock these guys off and get a big point for the international team?

K.H. LEE: Since this is my second time with Tom, we have great energy. We have great conversation.

Scottie Scheffler and Sam Burns are such nice guys, so it was really pleasing to play with them. And, obviously, it was great to get the victory.

Q. Tom, what a personality. He's a real spark plug for your team, isn't he?

K.H. LEE: Tom's like the Energizer bunny, just keeps going. Although he's a star already, I think he's going to be a superstar soon.
