Quick Quotes

Q. Taylor, not the outcome you were hoping for, but what did you take away from this experience overall?

TAYLOR PENDRITH: It was an awesome experience. Felt like I played decent today in the middle of the round and had some chances on the back. 15 stings. 16, hit a good putt, but Tony played really good as well, made seven or eight birdies or something like that. Can't really do much about that.

But yeah, it was an awesome week just to be around the guys. It's great. Team golf's really fun. Hopefully make it in a couple years.

Q. I was going to ask, how much would it mean to you to represent the international team in Montreal two years from now?

TAYLOR PENDRITH: Yeah, it would be amazing. It's definitely going to be a goal of mine to make that team. This week was great, and I'm hungry to get some points.

Q. What do you think this week will mean for taking the next step in your career? Getting a PGA TOUR win, perhaps?

TAYLOR PENDRITH: Yeah. I mean, by far the most people I've ever played in front of. Obviously, the stakes were really high. Lots of pressure. But, you know, the first day, I feel like I handled it pretty well. Really, all week, it was a lot of fun, and it will be a good experience to move forward.

Q. What have you learned from the entire week?

TAYLOR PENDRITH: That the Americans can putt very well. So probably spend some more time on the putting green.

Q. Anything else in your game, the format, strategy?

TAYLOR PENDRITH: Yeah, I mean. I feel like my game, for the most part, was decent. Yesterday, didn't have my

best. But today, I feel like I played pretty good most of the day. Day 1 and 2 as well. Did a lot of cool things. Have a lot of memorable shots that I'll lean on in certain situations in the future.

Q. What can this team get improve for the next Presidents Cup, like, team-wise?

TAYLOR PENDRITH: From the matches that I played, I feel like we hit the ball just as well as them, if not better, and they just out-putted us.
