Quick Quotes

Q. Max, let's just go over the overall experience first. What was the week like for you?

MAX HOMA: Best week of golf I could ever imagine. It was very special just to be on this team and to contribute and to bond with the guys.

Some of the moments we've had together on the golf course and in the team room have been amazing. I feel very, very, very lucky to be on this team.

Q. You were put up against Tom Kim after what he did yesterday. What were you looking for out of this match today?

MAX HOMA: A point. He's a great player and a really great kid. He's going to be amazing. But I wanted a point real bad.

Q. Last question, this team from last year, this year, and beyond have set up for a lot of success, you included. Is the sky the limit for the U.S. teams in team competition going forward?

MAX HOMA: I like our chances. I'm one of the older guys on this team, which is crazy. But there's a ton of great Americans right now, some not even here. So I think America's going to be in a pretty good place for a little while.

Q. Going to have fun tonight?

MAX HOMA: I'm going to have a lot of fun tonight.
