Quick Quotes

Q. Quite the way to finish your round there. Just kind of take us through those last five holes there and also how hot your putter has been this week as well.

DANNY WALKER: Yeah, I don't think I've ever made this many feet of putts before, like probably in four days, and I've already done it in three. Yeah, I've been making a lot of putts.

I think going through a little adversity in the middle of the round, it helps knowing that my putting is strong where I don't have to hit it super close, I don't have to stuff it. I can just play a little more conservative and trust that I'm going to make some putts.

Q. Just like the greens, are you seeing the lines really well this week? The stroke just feels good? Kind of a combination of everything?

DANNY WALKER: Yeah, I feel pretty dialed in with the speed. I made a couple mistakes as the greens got a little faster where I hit some putts too hard. Other than that, just reading the greens well. I feel really comfortable on Bermuda grass growing up in Florida. So, yeah, a bit of a mix of all that.

Q. What do you feel like you have to do well tomorrow at best to hopefully be holding the trophy at the end of the day or at least have a chance coming down the 18th hole?

DANNY WALKER: Just more play like I've done the last three days. It's hard to say with what Garrick does. He could run away. Nothing I can do about that. If I just keep playing like I am and maybe have one or two less mistakes, I think that would take care of it.

Q. Is there anything you can kind of fall back on from past experiences, past good play that you can kind of use if you get into a situation tomorrow?

SANDERSON FARMS
CHAMPIONSHIP

DANNY WALKER: Yeah, the last time I was really in contention would be, I guess, THE PLAYERS. I felt good on Sunday in that environment. So I'll probably harken back on that a little bit just to know I can be comfortable in that situation.

Q. Have you ever made five birdies in a row to finish a round before?

DANNY WALKER: I couldn't tell you. No idea.

Q. Is it true that you've got a new putter in the bag this week?

DANNY WALKER: Yeah, first week with the new putter. I've been messing around with it a little bit since Napa. This is the first week I've actually put it in.
