**Quick Quotes** 

## Q. Can you just recap your week out here on the course.

COLLIN MORIKAWA: Yeah, it was a very memorable week. This week was going to mean the world to me, no matter how I played. It was nice to at least finish all right, and make a bunch of birdies today, since I didn't yesterday. Yeah, I'm never going to forget that first tee shot, that was pretty special to have that. Just the support, you could feel it on the island, you could feel it out here on the golf course the entire week. I was definitely counting up how many birdie I had made throughout the entire week coming down 18, which I guess is pretty easy, considering I only had one bogey for the week.

## Q. Which is awesome. You mentioned earlier this week that you're donating and Adidas is matching that number. Do you have that number?

COLLIN MORIKAWA: I think we're at 50,000. I think that's what we got to for myself, so Adidas is going to be amazing, they have been an amazing partner, it's going to be an amazing match for them to do that for this week, and I'm just glad I was able to hit that nice even number of 50 to finish off the week.
