## Russell Henley

### Quick Quotes

#### Q. Happy with your round out there today?

RUSSELL HENLEY: I hit it better today. Still hit a couple terrible shots. But I feel good with the putter. I feel like I hit a lot of greens. Had something really weird happen on 10. Hit it in a divot and I just miss-played it and had a poor swing. Tough hole to make bogey on but I'm really happy with how I finished.

#### Q. Feel good about knowing that you haven't played your best and you're still right there?

RUSSELL HENLEY: Yeah, I've been playing pretty steady. Chris played really well today. It just looked like really easy golf for him down the middle off the green, make a few putts, and I'd like to have one of those rounds tomorrow where it's a little less stress. But I had a nice finish. Chipped in for eagle and that's any round, makes that feel better.

#### Q. Are the good vibes still there from eight years ago that you can fall back on?

RUSSELL HENLEY: I would say I'm way less cocky now than I was then but I feel better about my game. I feel like my game is a little more consistent. But yeah, I just want to go out there and give myself a ton of birdie looks and hopefully roll a few in and get off to a good start.

#### Q. Biggest key for you tomorrow, is?

RUSSELL HENLEY: Just pay attention to my game and keep attacking. I don't know what the weather is going to be tomorrow. I assume there's going to be low wind again. With low wind and really nice greens like this, you're going to see low scores. So stay patient but keep attacking.
