## Haotong Li

### Quick Quotes

**Q. 68 today. Just assess your round, if you would.**

HAOTONG LI: Well, another great day. Any day you shoot under par is good score.

But I found my putting not hot as normal and had a couple bad tee shots, especially on 16. Finished there on left side rough and supposed to play a little bit smart. There cost me two shot. Instead that, felt quite solid.

**Q. You're still in a good spot on the leaderboard. How do you go into the final round tomorrow?**

HAOTONG LI: Well, hopefully hit more fairways and hit a little bit straight, and, yeah, I think that's it. I think if I do that, will be good score.

**Q. Did the course throw any challenges at you today that you didn't see in the first two rounds?**

HAOTONG LI: The wind been a little bit different, especially on 16 tee shot. Normally hit hybrid helping off left, but today it's a little bit into.

So it's kind of different.
