### Quick Quotes

#### Q. How would you assess your round today?

BRONSON BURGOON: It was good. I started out playing really well, back nine was a little bit of an uphill battle for me, my swing kind of got a little loose. I held it together nice though.

#### Q. Knowing that this is usually the toughest -- obviously there's only two courses this year and this is normally the toughest of the three -- do you feel good about the 4-under number you put up today?

BRONSON BURGOON: Yeah, absolutely. This is a tough golf course. I mean, if you're not hitting it in the fairway you're going to struggle to make pars. The greens have a ton of slope, they're really quick this year, probably the best I've ever seen them. Yeah, absolutely completely satisfied with 4-under.

#### Q. Did you see any different hole locations tee boxes used this year that you hadn't seen in the past?

BRONSON BURGOON: Not tee boxes as much as hole locations. There was a couple different pin placements, which made it even tougher to make a few more birdies.

#### Q. Seeing some of the scores you've seen over at Pebble, weather is supposed to be a little bit different tomorrow, do you feel like you need to go out and put up a good one tomorrow?

BRONSON BURGOON: Yeah, Pebble you can obviously get it. It's in perfect condition, they don't have the rough up, so if you're putting good, hitting it in the fairway you're going to have a lot of looks. So I'm just going to try to do what I'm doing and hopefully make a few birdies.
