## Russell Knox

### Quick Quotes

#### Q. How would you assess your round today?

RUSSELL KNOX: Yeah, I played a great round today. Hit a lot of really good shots, I felt extremely comfortable and just -- I mean, I'm not going to say I putted poorly because I didn't, I just left myself a lot of difficult putts. And it's hard out here when you're just kind of tapping it and it's breaking a foot in the wind and bounciness of the greens. I'm very happy with my round.

#### Q. How difficult were those conditions as you kind of made the turn for home like 12 and on?

RUSSELL KNOX: Not really that hard, to be honest. We have all played in wind before, it was nowhere near like the forecast how difficult it was. I mean, to be honest, like normally after the rain it was harder than playing in the wind, so.

I think we kind of got a little lucky. Yes, it was tricky, the ball wasn't going anywhere, but I mean we're all experienced enough to just hit more club when it's cold. But it was challenging, don't get me wrong.

#### Q. What's the biggest key for you heading into tomorrow to go try to pick up another win?

RUSSELL KNOX: If I keep swinging the way I'm swinging, which I hope I can, I hope I don't wake up tomorrow and get worse, I mean the person that wins tomorrow is just going to make some putts. Get off to a fast start. Obviously the first seven you can get, so it would be nice to get off to a flying start and then kind of hold on for the remainder.
