### Quick Quotes

**Q. 63, excellent round here at Monterey Peninsula. If we can get some comments.**

ADAM SVENSSON: Yeah, I was striking it well yesterday and today and just kind of kept the mojo going, made a couple more putts today. Had just one 3-putt, but other than that I hit 18 fairways, 18 greens today. So just had a lot of looks, I guess, yeah.

**Q. So comment a little bit about heading to Spyglass tomorrow and your thoughts.**

ADAM SVENSSON: Yeah, it's, obviously it's a phenomenal golf course and I just kind of got to do the same thing, fairways and greens and just kind of give myself opportunities.
