## Scott Stallings

### Quick Quotes

**Q. Can you just recap your round for me, please.**

SCOTT STALLINGS: A lot of good things and kind of some poor things. Was in pretty good position all day. Two 3-putts. It was tough. You got above the hole and you kind of end up playing a little defensive. Even as soft as the course was.

But just, this place always kind of keeps you on your toes. It's never, like, I don't know if there's a comfortable shot out there. Even from the middle of the fairway.

I was happy with the way I managed it. I shot under par. Hopefully try to take advantage of tomorrow playing earlier.

**Q. You mentioned just changing conditions yesterday and kind of managing that stuff. Anything game plan wise going into tomorrow at Monterey?**

SCOTT STALLINGS: I mean, just keep trying to do the same thing. Keep the ball in front of the us and try to take advantage of some of the shorter holes that are out there. We're going out early because of the weather. Hopefully try to take advantage of that and kind of see what happens playing into Sunday.
