## Brendon Todd

### Quick Quotes

**Q. Great playing today. It's been kind of a long, weird day. How would you assess how it's all gone for you?**

BRENDON TODD: It's gone really well. Came out and made the eagle this morning on 18 at Pebble. Got my day started really well there, and then made another eagle on 2 in the afternoon.

So I'm really happy. I'm in a good position.

**Q. What's been kind of working so well for you today?**

BRENDON TODD: Chipping and putting has been special all week. It's probably the best it's ever felt, and so I've leaned heavily on it. Haven't hit a ton of greens, but I've been able to get the ball in the hole really fast.

**Q. What's been working so well with your short game?**

BRENDON TODD: Just a lot of hard work. I found a little something with my putting last week, a little flex in the knees, and that seems to keep the ball rolling down the line a little bit better.

**Q. Going into tomorrow you obviously got a putt here from about seven feet on 13, and then you got about five holes left to play. How are you going to kind of come out tomorrow morning? And do you feel like you're going to have to attack this golf course to try to pick up the win or just kind of see how the, kind of conditions are in the morning?**

BRENDON TODD: Based on the forecast I saw, we'll have pretty good conditions in the morning. So, yeah, I'm going to come out and try and make as many birdies as I can.
