Quick Quotes

Q. You played 21 holes without a single bogey out here. I know there's a lot of putts that could have gone in, a lot of putts you made, but I thought you played well.

SCOTTIE SCHEFFLER: I played pretty solid most of the day. I had a lot of good putts that, I mean, I hit a bunch of lips today. Especially towards the end of the round I hit a lot of putts that I thought were going in that didn't. And then I hits some good shots in the playoff there, a great birdie on 18, and then I missed a shorty there on 13 in the playoff, and Teddy had it a little higher than I did, and I went with my instincts and it turns out it wasn't enough break.

It's a bit frustrating, but I put up a good fight today. I had a chance to almost go 4-down through 4 and put up a good fight and Sam played really well.

Q. No one wants to play the consolation match, but playing Rory McIlroy is something that all golf fans want to look forward to.

SCOTTIE SCHEFFLER: Yeah, it should be a fun match this afternoon.
