Quick Quotes

Q. Gene, great start, 6-under in your first round. Just your thoughts on how it went out there today.

GENE SAUERS: Yeah, it was a good round today. Like I say, we've had, what, five weeks off. I've been playing a little bit of golf and working on a few things. I was kind of a little rusty coming in here and I wasn't really too confident, but I just told myself just to take one shot at a time and just do the best I can. I hit some really bad, poor wedge shots on a couple holes, but other than that I putted pretty good. I made an eagle on No. 5 or 6, hit a good driver and hybrid in there. I feel a little better today after today's round, 66, and hitting the ball a little better. I've got to do a little more work on the range, I think, this afternoon and just try to get some more confidence building, but other than that, I played well and putted good.
