Quick Quotes

Q. That was quite the finish; birdied the last four. Few comments on what you felt good about today.

MARK HENSBY: It was a funny round because I got off to an average start. I was 2-over after four.

Yeah, just hit a couple wayward shots and then kind of got into gear. Felt good over the putter all day. Even if you're not quite hitting it as well as you feel like you are, I made some really good putts.

That felt good.

Q. In the last four-hole stretch. I didn't see putts, distances, approaches. Any highlights stand out from the last four?

MARK HENSBY: Yeah, I mean, I holed a -- I hit it close on 17. Hit it to a foot. 18 was about a five-footer. But I holed a nice one on 16, and then 15 was probably the one I drove it left in the rocks and hit the low hook around to about 25 feet. Hit a great shot and two-putted for birdie.

That kind of got that momentum going.

Q. Right.

MARK HENSBY: So, yeah, you know, overall it was a good day.

Q. Lastly, just getting into the season. It's the first full-field event. Anything you've been working on or feel good about that you came into the week mentally feeling strong about?

MARK HENSBY: My putting. And it's funny, you work so hard on your putting and ball striking goes down. Probably not hitting it as good off the tee as I was last year, but my main goal this year was putting.

Thank goodness it's falling into place this week because I

have been working hard at it.
