#### **Q. How would you assess your round today?**

BRIAN HARMAN: Yeah, just wasn't real comfortable to start. Just couldn't really get anything to go. I drove it fine, just hit a couple loose shots. Try to go tighten it up and see if we can't shoot a low one tomorrow.

#### **Q. In the second round like this, are you actually looking at the leaderboard or maybe at the end of the day?**

BRIAN HARMAN: Yeah, I do sometimes, much to the chagrin of my caddie and my scorers at times.

Yeah, I need to do a better job of just playing my game and trusting that it's good enough.

#### **Q. You've got to be happy with where you're at right now going into the weekend, though, I would guess?**

BRIAN HARMAN: Yeah, the wind got a little tricky in the afternoon. It kind of caught me off guard. I thought it was going to lay down pretty good, but it was pretty tricky there for seven or eight holes and just had a couple weird bounces. But yeah, I'll go hit a few this afternoon and see if I can't square it away a little bit.

#### **Q. Did you find something out there when you made those three birdies in a row?**

BRIAN HARMAN: No, I just got in some good spots where -- actually I wasn't having any looks. It's a tricky golf course, especially when the wind blows a little bit. When the wind is down, seems like every hole is a birdie hole, and if it blows just a little bit, it's hard to get the ball close to the hole. That's what I was struggling with early.

#### **Q. Top 10, you have to feel good going into the weekend?**

BRIAN HARMAN: Yeah, I'm within striking distance, so we'll get a good night's sleep and try and send it after him tomorrow.
