Q. When you double bogeyed the 17th hole yesterday, did you think 2 was going to still make the cut?

KEEGAN BRADLEY: I thought 2 had a chance, but I thought it was going to be 3. I had like a 15-, 20- footer on the last. I thought it was problem areally 70/30 it was going to be 3. I don't know, we always think it's going to be one more when we're on the line.

I was watching it all afternoon, and thankfully it was 2.

Q. Is there a better way to start your third round than rolling in the eke will putt and then holing a bunker shot for birdie?

KEEGAN BRADLEY: It was so great because both of them were surprising, but when you make a bunker shot, it's kind of like almost like a two-shot swing because I was short sided and I hit a great shot and all of a sudden we're off to the races there. That was the moment.

Q. What do you look at when you're 3-under right away and just --

KEEGAN BRADLEY: Well, it's easy to -- I kept trying to tell myself to keep going. That's the key, especially when you've made the cut on the number. Like all of a sudden you make a bunch of pars and you make a bogey at 2-under, you're still in 50th place. You've got to keep going, and these guys are all going to go out there, I think the course is pretty gettable today, but I've put myself in a position to have a nice week.

Q. What did you think about playing with Collin? Collin played nicely, also.

KEEGAN BRADLEY: Yeah, it was really great. I've never played with Collin. I was really excited to see his game, and I really enjoyed playing with Collin. He obviously played really well and a great player, but we both were doing our own thing, and we started both making birdies, and it was fun to be out there with him.
