## Jimmy Walker

### Quick Quotes

**Q. Jimmy, you talked about feels. How did it feel to be in the final group again at a PGA TOUR event?**

JIMMY WALKER: It was fun. It was fun. I was really happy to get off to a nice tee ball. After that I kind of settled in and it felt great all day. Just a little sloppy on the back. Couple up-and-downs I should have gotten up-and-down. But other than that, I hit two great shots on the par-5.

I wouldn't have done anything better. If I would have hit a worse shot it would have turned out better. Tugged it, pushed it, I'd have been fine. That was a bummer. But I got a good break on the par-3. I should have gotten that up-and-down, but made a couple of nice putts coming in.

Yeah, go get it tomorrow.

**Q. What did you feel like was working best for you out there today?**

JIMMY WALKER: I don't know. I just tried to be as patient as I could. The front nine was great. I shot 2-under and that was so in the game plan, so I was real happy with that.

**Q. You talked to us yesterday about your heart rate on Thursday kind of going up. When you look at this do you think you'll see some high heart rates there?**

JIMMY WALKER: I don't know. I'll tell you later.

**Q. Just your game plan for tomorrow. You're still only three back, right in the mix of this. What do you feel like you need to do best?**

JIMMY WALKER: Game plan I don't think is going to change a whole lot. Maybe just fire at a couple more pins. I'm not saying I wasn't aggressive today, but I'm going to need to make more birdies and just not give anything back. Bogey-free round would go a long way.

**Q. I know some of the guys earlier have been asked about you in particular and being back out here, and**

# RBC Heritage

**they had a lot of glowing things to say. How does that make you feel?**

JIMMY WALKER: Well, that's good. I've tried to live a good life, be a good dude, so that's great. I appreciate it.
