Q. Another clean card. Assess your round today. Looked pretty solid.

BRIAN HARMAN: Yeah, I would have had a chance to win this week. Just missed a few putts the last couple days. I played great the last two days. Look forward to a couple weeks off and then I'll be back in Charlotte.

Q. Can you walk us through No. 16?

BRIAN HARMAN: Yeah, I hit a great drive. We were kind of in between driver and 3-wood and I knew a good drive has a chance to get right behind that tree, and I hit it just like I wanted to, and five yards short of that and I probably get a good birdie look. That's the rub of this place, and sometimes you've got to take those little spots on to try to shoot a low number.

Q. That kind of kept the momentum going and then you took it again on 17, right?

BRIAN HARMAN: Yeah, nice shot in on 17, nice putt. Two big ones on 13 and 16 kind of kept the round going.

Q. To play this well this close to your hometown, having everybody rooting for you, what does it mean to you?

BRIAN HARMAN: Yeah, I always love coming here. It's such a cool place. It's such a great golf course. I've been coming here a long time, but it never gets old. It's a lot of fun.

Q. Where is your head at right now?

BRIAN HARMAN: I'm taking two weeks off, so I'll have to kind of disconnect from it for a minute, but I'm excited about where my game is at. Almost wish I was playing a little quicker, but I'll try to get home and try to figure out what I'm missing a few short putts and keep trying to strike it well.
