TPC Craig Ranch

Rafa Cabrera Bello

Quick Quotes

Q. Always hard to follow such a great opening round like yesterday. What seems to be clicking through the first two rounds?

RAFA CABRERA BELLO: I mean, I played good golf, I think I. Yesterday played superb golf and had things going. Today really not much happened on the greens for me. The rest of game was solid. Gave myself plenty of chances.

Was a trickier day with more wind, but I just couldn't get the ball in the hole. Hopefully on the weekend they will fall again.

Q. You touched upon the wind. What's been the difference between the course versus yesterday morning and playing here in the afternoon?

RAFA CABRERA BELLO: I mean, the course is drying up little by little. Still soft, but the greens may be a smidge quicker and a smidge firmer also. And then the wind, even though yesterday was barely none, it changed complete direction today.

So it's been a different course absolutely.
