Quick Quotes

Q. K.H., 5-under, 19-under for the tournament. How would you describe your round today?

K.H. LEE: Today same like yesterday, like iron shot very good and putting also, so very feel comfortable.

And, yeah, very happy now, yeah.

Q. Good. You're looking for your first win on TOUR. You had the tied for second in Phoenix at the Waste Management. What sort of lessons are you taking from that experience as you walk into the final round tomorrow?

K.H. LEE: We have more holes, 18 holes, so never think about win, so no pressure myself and just keep positive and play golf and then we see, yeah.
