Quick Quotes

Q. Vincent, bogey-free 65. Excellent round. If we could just get some comments.

VINCENT NORRMAN: Just a solid day. Four birdies on the front and then struck it well on the back nine. Yeah, was nice to finish there with a birdie on 18.

Q. Talk about how and you Austin both had it going and his play today as well.

VINCENT NORRMAN: He played unbelievable. Made I don't know how many birdies. Really cool to see. We played a lot in college together and I really enjoyed it out there with him today.

Q. Two shots back now. Talk about the mindset going into the final round.

VINCENT NORRMAN: Just keep playing golf. Try and enjoy it out there and have a good time.

Q. You mentioned you guys played a lot back on college days. Did you feel you were feeding off other each when you both were getting a lot of the birdies?

VINCENT NORRMAN: Yeah, definitely. I saw him tearing up the first few holes out there and kind of took us back a little bit towards the middle of the round there. It always helps if your playing partner is playing good I feel like.

Q. How would you clarify your season so far? What is it about this place that you like so much?

VINCENT NORRMAN: I mean, started off pretty bad beginning of the year. My swing coach has done a really good job and got me a little more comfortable on and off the course actually.

So I feel like I'm playing a lot better now and nice to see the scores kind of show that.

Q. Who is your swing coach?

VINCENT NORRMAN: Liam James.

Q. What have you been working on specifically to improve?

VINCENT NORRMAN: Just the strike of the ball, like a little more turn in the swing. I've always been a fader of the ball and he's helped me with the fade a little bit.
