Q. 66. A lot of highlights in this round. Wanted to ask you specifically about two of them: Number one was the chip-in on No. 3 from 61 feet and eagle on 14; drove the par-4. Which one stood out to you and why?

MATT WALLACE: The one on 14 was pretty special. Needed everything that I had in the tank with my driver on the right flight to even, what I thought, get to the front edge of the green, and managed to land it quite a long way up there and it was a great shot. Converted the putt, which was really nice.

Then the chip-in came at a perfect time because bogeyed on 1. Didn't hit a great shot into 2 after hitting the fairway. And what I thought I hit the fairway on 3, got a jumper and then chipped in, so that was really nice.
