Quick Quotes

Q. Can you just recap the week for you? You're going to Charlotte.

ALEX NOREN: Yeah, no, it was a good week. I putted better. I hit my driver good. Not the best feeling with some irons, but managed to hit a lot of greens, which helped.

Overall it's a great week, yeah.

Q. And then anything in particular this week that you've learned that you'll carry into next week?

ALEX NOREN: Yeah, I mean, kind of what works, what doesn't work. I worked on a lot of things that kind of like, you know, made my driver better, but not necessarily my irons felt that good.

I got a bit more neutral, but going to work to try to get those irons working, yeah.
