Quick Quotes

Q. 42 points total. Tell me about your round today.

TONY ROMO: It was good. I had a really good back nine. I started to get in rhythm a little bit. I've been hitting the putts a little bit too hard. Started to get the pacing a little bit later. But a couple of loose swings early. But I really feel like I've been playing good coming in. The back nine, I started to get the understanding of what I have been doing well coming in and started to do it. I have a good feeling going into tomorrow. I think that will be my best round.

Q. You've been in this position before. What's the mindset and mentality going into tomorrow?

TONY ROMO: Always just playing each shot, trying to stay as patient as possible. But ultimately tomorrow is going to be about really just you're going to be aggressive mentally while staying patient and ultimately you can't get frustrated when you miss a putt out here. It's poa annua. It's always difficult. But I'll attack it tomorrow.
