Quick Quotes

**Q. 39 points going into tomorrow. Just tell me about your round today and how you're looking for tomorrow.**

STEPH CURRY: I got off to a pretty good start. Obviously a good group. Everybody played pretty well. The back nine got me. One bad hole. But it's still within reach. Gotta obviously have a big day tomorrow. But it's not out of the question.

**Q. Going into tomorrow, is it an attack-the-pin day tomorrow? Is it just kind of see how people are playing; what's the mentality tomorrow?**

STEPH CURRY: Same way I've been playing, trying to give yourself as many chances. I don't hit too many drivers off tee, try to get in position for a wedge game. And I don't want to press [inaudible] shoot and trying to get off to a good start, not making any mistakes, and I'll check the leaderboard by 6 or 7 and see what happens.

**Q. Tell me what it was like to walk the fairways and play with arguably the greatest female golfer of all time. Tell me about your game today.**

STEPH CURRY: It was awful, because all I did was just watch her hit fairway after fairway after fairway. For me it's awesome just to see the consistency and confidence. It's just a matter if she makes putts. At that level and what she's accomplished right here, to see it in person, where she's at now, that putter is everything because she hits the ball so straight and doesn't make many mistakes. It's awesome to watch.
