### Quick Quotes

#### **Q. Walk me through your round today and what you're looking to to contend tomorrow.**

TONY ROMO: I think the biggest thing is I've got -- I mean, I actually weirdly feel like I'm putting well, I'm just not getting anything to fall yet. And that's very frustrating.

Two days in a row, we have, you know -- there's one birdie yesterday and two today, then it's going to be -- you can make as many bogeys as you want, but you've got to make birdies in this tournament. When someone goes in and eagles, it's the same as making six straight pars.

So I just haven't done a good enough job on the par-5s. 1-under today, I think I was even yesterday. And that's not going to get close. So I've got to pick that up. I mean, one eagle puts you right at the top right away. And I've been there. But been in this a number of times. And I'm striking the ball well. I'm actually cutting well. Usually the law of averages will take over.

But I got to put a little work in tonight. I'm excited about tomorrow. I know I got some good competition ahead of me. So it's going to be fun.
