Quick Quotes

Q. 20 points today. So this is not your first rodeo here. This is your sixth time here. Tell me about just coming -- walk me through the round today. You had that great stretch in the middle with the eagle-birdie, walk through the round with me a little bit.

BRET BAIER: I felt I was hitting really good. And I made a couple of mistakes, like silly things, then I made the eagle on 18, and fired me up. Birdie on 1. Then I was trying to get it into the house.

I started looking at the scoreboard. I'll have a different strategy tomorrow, and I left a little bit out there, but I was really happy with the round.

Q. Are you normally a scoreboard watcher when you're out here, or do you just put your head down and go?

BRET BAIER: The best I finished here was seventh. I was definitely scoreboard watching there. But I think I'm just going to play and that's good. I also stayed out of the casino, which was really good.

Q. Tell me about the conditions out there today and the crowds and just the atmosphere.

BRET BAIER: Spectacular. It really is. The greens are rolling amazing. I bet they're 12 and a half. And so you know, you've got to like really be over the putts, concerned about them. But the people are awesome. If you make a putt, the roar is really cool out here.

Q. What are some things you're going to work on this afternoon as you head into tomorrow?

BRET BAIER: I think I'm happy with the round. I want to keep my tempo up. I'd like to put just a little bit better. So I might take some time putt on the greens.
