Seth Curry

Quick Quotes

Q. Seth, probably your best round since you've been playing in the tournament.

SETH CURRY: Definitely my best round. With the experience the past few years, trying to go out there play as well as I can.

Q. Are you trying to defend your brother's honor and championship here today, or what? The Curry men did pretty good today.

SETH CURRY: We'd love to keep it in the family if we could, but we also have our own challenges trying to win that Curry bet. A lot on the line out there.

Q. You've got a bet with dear old dad on this one?

SETH CURRY: Always. Bets roll over year from year. Like I said, a lot on the line this year, even without Steph here.

Q. Have you heard from Steph at all? Has he been saying, man, I'm missing golf, or what's he been saying about not being able to be here this year?

SETH CURRY: He's definitely missing being here. But obviously he'd much rather be trying to win the gold medal. He sacrificed one year of being here to go do what he's doing over there.

But we're also keeping him a part of it. Have a group chat going. His caddie is here with the belt representing him, keeping him on Facetime, sending videos. He knows what's going on.

Q. What's the prognosis for the next two days for you and your dad? What do you think?

SETH CURRY: Trying to keep playing well. Take it day by day, see where we end up at the end of the day.

Q. Have you got a message for your brother, or not?

SETH CURRY: Trying to make him proud. That's it.
