Quick Quotes

KIRA DIXON: Travis Kelce is back again at the American Century Championship. This has become a real circle-it-on-the-calendar situation for you. What do you love so much about coming back here?

TRAVIS KELCE: American Century always does it right. So does NBC. They always look out for me and the family. Now that I have my brother on board with me, we bring my dad out here, and we just make it a good family trip.

KIRA DIXON: Speaking of your brother, can you [inaudible] at 8:00 a.m. for a 9:51 tee time. How is his game since he started doing these things since last year?

TRAVIS KELCE: That's what makes him so great at everything. He grinds it out. I like to kind of wing it left and right and see if I can figure something out on the greens. But Jason is just a hard worker. He's going to figure it out.

KIRA DIXON: What do you think of Jason's fashion choices this tournament?

TRAVIS KELCE: I haven't seen him today. I haven't seen it today. But he's always top of the line when it comes to fashion and what he's doing. I think last night he just cut the sleeves off his shirt and said, "I'm about to rock this joint."

KIRA DIXON: Speaking of last night, that karaoke, is that something that you guys practiced ahead of time or do you just let it rip?

TRAVIS KELCE: Typically I don't practice, but my brothers are very strategic human beings. We practiced a little bit in the room before. But we had been practicing that song with my father our entire life. A little old-time rock and roll. My dad's music choice, music taste growing up, kind same as mine, so I love it.

KIRA DIXON: You put your hours in. Speaking of putting the hours in, have to talk about last season. What an incredible season it was for you and what you would have wanted [inaudible] what do you think is the same, what do you think is different?

TRAVIS KELCE: Obviously just win the Super Bowl. We made it all the way to advance and just gotta finish. I think we have an unbelievable room coming back. Obviously amazing coaches, amazing leadership in the organization. I'm just excited to get back after it and kind of rebuild this team as we do every year.
