Quick Quotes

Q. At the Rascal Flatts concert last night, you and the Tkachuk brothers come on, sing Dream On. Were you nervous going up there in front of 10,000 people? On a scale of 1 to 10, how do you think your performance was?

MATT BOLDY: Yes, I was very nervous, and based on reactions today, apparently it was good enough for people to like it. So I guess it was decent. But, no, singing is not a strong suit of mine.

Q. You had the medal on last night, too.

MATT BOLDY: I bring it out every chance I get here.

Q. Have there been any times where you're like, oh, my God, where did I put it?

MATT BOLDY: No, I usually know where it is. I definitely have had some check-ins with my caddie, making sure he still has it. But for the most part, it's in good hands.

Q. You're at 27 points. You're ahead of the two Tkachuk brothers. Do you guys have a bet between the three of you and will you be talking any smack when you see them later today?

MATT BOLDY: No, I don't think so. We're just having a blast, and it's been special being here with them and meeting all these different people. Like I said, it's just been so much fun.
