Quick Quotes

Q. Derek Lowe, 36 points in the first two days.

DEREK LOWE: Yeah, had a really bad front nine. Didn't play very well for about an hour. Played better on the back. But a lot of these things, they're not about you, they're about who you got to play with. I got to play with Annika, watch her. I think she's tied for the lead, if not in the lead. And Tony's also great. So that's more important.

Q. The scores got a little tricky today so far. Why do you think it's playing a little tougher this year?

DEREK LOWE: The course is in amazing shape. I mean, the greens are extremely fast. For us amateurs, it can get a little hairy. You know, we don't play on fast greens every single day. They could trick up some of the pins. It's just a great test for everybody.

Q. You're going to start about 10 points back. About 10. 11. But obviously you started this week with the Tim Wakefield Memorial. Is there any motivation to kind of want to go out there and win it for him?

DEREK LOWE: I'd love to win it for him. I mean, I know this was his favorite event every single year. And I always rooted like heck for him every single time. But it's not going to happen. I mean, 11 points seems like it's not a lot, but it is a lot. So you'll go out there and do your best and we'll see what happens.
