Edgewood Tahoe

## Dell Curry

### Quick Quotes

**Q. Just wrapped up today. First off, just summarize how cool was it to have a family trip here with you and the boys here to play in this tournament?**

DELL CURRY: I say it every year, we circle this week on the calendar. Make sure that we're ready for it. It's one of the best weeks of the year.

I don't get a lot of time to spend with them, just us, involving our families, doing our own things. So to get a week just us to hang out, play some golf, be competitive, that's what it's all about.

**Q. Assess your three days here and your game this week?**

DELL CURRY: I was playing a lot better this year than I was coming into it last year. Goal was top 10. I think I finished top 10. I didn't play as well today as I did the first two days. Still had a great walk and played enough to finish with my goal, top 10, and bring home the family belt.

**Q. You guys had an interesting formula that you were implementing this week. So Steph mentioned on air that you're going to win the family belt. How cool is that, that you'll be able to don the family belt for the next year?**

DELL CURRY: It's very cool. We've had it now, I think this is the fifth year. Steph's won it, of course, and Seth's won it a couple times. Now I got it back. This is my second win.

I was playing really well. They had to give me my shots because that's what the index said. But I played very well this week.
