

Stanford University Football Media Conference

Friday, September 4, 2026

Stanford, California, USA

Malachi Toney

Postgame Media Conference

Miami 45, Stanford 6.

MALACHAI TONEY: That just come from our pros out there in Greentree. Before we go 1-0 out here we had to go one and owe on Greentree. I just felt like we just put on display what we been working on at Greentree.

Q. Malachi, what does it mean to have a lot of the guys from last year's team talk to you guys before the game and basically tell you guys to...

MALACHAI TONEY: It means a lot just having those guys, like Akheem Mesidor, Rueben Bain, Keionte Scott, CJ Daniels, all those guys come back, because that just tell but brotherhood without even saying much.

Q. What do you think it meant to the team and the wide receiver group to see -- obviously you had a great night. Cooper had a touchdown. Daylyn had a touchdown. Josh had a few catches. Ball got spread around.

MALACHAI TONEY: That everybody can eat in this offense.

Q. (Indiscernible.) (No microphone.)

MALACHAI TONEY: I just did it.

Q. (Regarding being 17 years old, not even 18 years old.) And you're running faster. Is there evidence in practice?

MALACHAI TONEY: Yeah, Coach Irv and the guys who control that got that type of evidence. But I know I got faster, a lot faster from last year. I got guys coming up to me telling me I got faster, so those are just guys I go against every day so I know I got faster.

Q. After the game you went up in the stands and gave some love to the Miami fans. How much does that mean to you to get that support?

MALACHAI TONEY: That just means a lot. Them fans traveled six hours, so I just wanted them to at least let them feel me, touch my hand.
