Quick Quotes

TOM LEHMAN: I didn't play the last four or five holes very well, but overall I played decently.

Q. Played here in 2013, top ten finish. Any good memories coming back to you?

TOM LEHMAN: I like the course. The course will give you some birdies if you hit good shots, and it's also going to punish you if you hit bad ones. That's part of the reason I like the course. It's a very fair test. Thank you.
