Quick Quotes

Q. Greg, 65, one of the best rounds of the day. Tell me what the key was.

GREG KRAFT: I just got it going. I actually played not that bad yesterday, but I was on the wrong side of the hole all day. I had nine putts that were very makable birdie putts, but they were all defensive putts. Today I got it under the hole, which made a big difference.

Q. Was that the key, that stretch of birdies towards the end, 5, 6, 7, 8?

GREG KRAFT: Yeah, the par-3 I had a really good number, so I went for the pin, which was a pin that nobody went for, and I hit it to two feet. And then the par-5, I hit it in two again. Had a good number on the next hole and hit it four feet, then had it straight up the hill again, which was an easy putt. It wasn't defensive. 8 was a little bit of a curver, and that was a lucky one. So that's four in a row.

Q. How are you feeling heading into the weekend?

GREG KRAFT: It's nice. See how the weather holds up.
