Quick Quotes

Q. You had a couple birdies early in the round. How did that really help your day?

BERNHARD LANGER: Felt great. I haven't made a lot of birdies this week. Yeah, got off to a nice start with the first two holes, birdied, and then got another one, got to 3-under. Made a bogey again somewhere, made another birdie, then made another bogey. It felt like my putter was better today.

Q. How did things change with the delay, with the rain?

BERNHARD LANGER: Not much. It was a little softer. You picked up mud on the fairways, and that makes it a little bit harder, and the wind was blowing a little bit, but from a different direction. But otherwise not much. I just putted a little better today. I putted awful the first two days.

Q. Headed into the final round tomorrow, how do you like where you are?

BERNHARD LANGER: Well, I'd rather be six in front than six behind, but I can't change to, so I'm going to try to be aggressive tomorrow and move up.
