TRAVELERS
CHAMPIONSHIP

Q. A little something in the swing. Are you going to share that with us?

BRIAN STUARD: I think it's just kind of going back to basics. Just worked on my set-up a little bit and just kind of went back to what I felt comfortable with.

Q. And the golf course, how is it playing?

BRIAN STUARD: It's playing really good. If you're hitting it well, you can make some birdies, the greens are great. The course is really nice.

Q. 6-under, looking at your stats I said, 25 putts. That's pretty good stuff. I said, what clicked for you? And you said?

BRIAN STUARD: Who knows, right. It's just one of those things where I felt like I was reading them well and hitting my lines and had a few long ones which is nice.

Q. For you, what is the key from tee to green on this course to be able to set yourself up for a nice putting day?

BRIAN STUARD: I think the course, if you drive it on the fairway, then you're going to have some good opportunities. I didn't drive it great today, but I was able to take advantage of a couple of them. I think, like I said, if I drive it on the fairway, I think I'll be all right.

Q. All day, all week actually, we'll be on the 15th hole for our Live@ coverage. If you can take me through that hole, how it can be a challenge and how you can make it easy?

BRIAN STUARD: It's all set up by the drive. It's where the pin's at. If you hit your drive in the right spot, then it can be an easy hole. But I think tomorrow the pin's going to be on the front right. So if you hit it short right or anywhere to the right, it's going to be a tough up and down.
