## Jim Renner

**TRAVELERS**  
CHAMPIONSHIP

### **Q. Want to just talk about your round today and what was going well?**

JIM RENNER: Yeah, I mean, it was a pretty clean round. I had two birdies, no bogeys. I played the back nine first and was able to make two birdies on the back and then nine pars on the front. I actually had a few good looks coming in there on that front nine, my final nine. Couldn't convert any, but it looked all right. I had some tricky putts and some tricky pins out there, but overall I think I played pretty solid today.

### **Q. You had a big following out there today and I heard yesterday as well. What was that like?**

JIM RENNER: Oh, yeah, it's pretty comical. I'm from up around here, so just south of Boston right between Boston, Providence, a town called Plainville. So there were a few guys from Bar Stool Sports out here. They're pretty funny guys. So they were out there hooting and hollering and whatnot. It was a lot of fun though. They behaved, which I was impressed with for the most part.

### **Q. Did you see he wore the Rally Renner Army shirts?**

JIM RENNER: I didn't know he was going to do that. I like to go a little bit under the radar. But, hey, they're having fun with it. They don't know too much about golf. I'm sure for a lot of them it's probably the first tournament they've ever been to, but it is what it is.

### **Q. Is it kind of different and nice to have people out there like coming around?**

JIM RENNER: Yeah, like I said, they're a funny bunch. But it's also nice to have friends and family here. I'm sure over the weekend there will probably be a little bit more. It certainly makes it nice. I love playing golf up here. I love being up here. So it's definitely a feeling of comfort, I guess you could say.

### **Q. What is your mindset going into tomorrow?**

JIM RENNER: Yeah, I just want to keep it going. Finally this year I started to cut the ball nice, which has really been an enormous headache for me the entire year. So actually the first two rounds I probably haven't hit the ball as well as I have this year, but I managed to convert on getting up and in or making a nice putt to keep me going. Kind of those momentum type putts

that I've been severely lacking this year, I've been able to make a few of those, which has been very nice. It's amazing what that can do to carry out throughout your round.

### **Q. What has been the difference in your putting? Was it an equipment change?**

JIM RENNER: Yeah, I actually -- in Memphis, I went to the arm lock, the Matt Kuchar style of putting, I guess you could call it. In Memphis I didn't putt that well because I really didn't -- I wasn't able to dabble enough with them to figure out something that I was extremely comfortable with. But it was a good week in the sense that it gave me something to go off of which is pretty much what I needed. So this week coming in I had a pretty good idea of what I was looking for and that type of style of putter, and it just happened to work. It feels comfortable.
