Q. How would you assess your round today?

BRIAN HARMAN: I played a lot better than I scored, which is a real bummer. You've got to score better than you play here to be in contention, and I just let a few get away from me coming down the stretch. Just plain tough. Happy with the way I'm playing. Just a little disappointed in my score.

Q. Let's go over some of the good stuff. On number 6 what did you hit in there?

BRIAN HARMAN: I hit a 6-iron in there close.

Q. At number 9, that seemed like an unlucky break. That ball scared the hole.

BRIAN HARMAN: That was a really unlucky one there. I hit two great shots I thought, and then actually a pretty good chip that stopped up on the hill. A lot of coin flips came up the wrong way for me today.

Q. On 13 what did you hit in on the second?

BRIAN HARMAN: 4-iron.

Q. Nice one there. Seemed like the wind was kind of off and on the back on 15.

BRIAN HARMAN: I got gusted on 14 and 15. Thought I had a good shot on 16. I just missed a couple of short putts. Just tough to read them in the wind. You get the wind at your back when you are trying to putt, the putt is trying to break right and you have the wind at your back, it's just hard to do.

Q. What's your approach going to be tomorrow out here?

BRIAN HARMAN: Nothing different. I'm striking the ball pretty well. Even my approach on 18, I thought I stuffed it. I get up there, and it's in the bunker. It's just a bummer sometimes. You have to hope tomorrow that it evens out.
