**Q. Talk about your excitement of being here.**

ISAIAH COLLIER: It's a blessing being here in the NBA Draft. One of many guys, and I'm just blessed to be in this space.

**Q. Is there anybody that you're looking forward to playing with?**

ISAIAH COLLIER: I'm looking forward to playing with everybody, to be honest. I've heard a lot of great things about Utah. I'm just looking forward to learning a lot about it and living there.

**Q. Have you ever been to Utah?**

ISAIAH COLLIER: I've never been to Utah. I don't think so.

**Q. I know you're going to have a crazy chip on your shoulder going in and make a lot of teams pay, but talk about what Utah is going to get as a player from you as well?**

ISAIAH COLLIER: They are about to get a dog. I'm just looking forward to going in there and competing from day one, showing what I can do and just prove myself in the league in general.
