**San Antonio Spurs**

**Victor Wembanyama**

Championship Postgame

New York Knicks 124, San Antonio Spurs 113

VICTOR WEMBANYAMA: Sorry, I just lost somebody today (tearing up). I'll take one more question.

**Q. What can you guys learn from this experience? A game that counts, but doesn't. Being on this stage, where will this team grow from this?**

VICTOR WEMBANYAMA: I guess this is the best practice for important games because we, of course, our focus is already on the playoffs. The playoffs are going to be the biggest time of the year. So I guess it's good that we get this experience today.
