Q. Scottie, thoughts on the week?

SCOTTIE SCHEFFLER: I had a really good weekend. I did some good stuff. I feel like I could have scored a little better today. Overall it was a really challenging day.

I think Friday probably hurt me in terms of winning this tournament, but overall three of the four days I played what I felt was pretty solid. Just had one off day, but outside of that, I did some good things this week as well.

Q. How did the course play differently from last year?

SCOTTIE SCHEFFLER: I mean, it's hard for me to remember all the way to last year. I felt like we had maybe a bit more wind over the weekend this year, but I was surprised at how firm they were still able to get these greens. It was impressive from the agronomy team here.

Q. How do you save up for next week, three weeks in a row, having won that first week? What do you do going into next week to try to conserve energy?

SCOTTIE SCHEFFLER: Well, this week was a bit lighter in terms of preparation. I didn't do anything Monday and Tuesday. Tomorrow I'll take the day off, kind of use it as a travel day. That's pretty much it.

Q. Is there anything you want to work on going into next week?

SCOTTIE SCHEFFLER: I mean, just the usual stuff... get to the course next week, get used to the rough, get used to the bunkers, get used to the speed of the greens. In terms of my game I feel like it's in a pretty good spot.
