## Scottie Scheffler

### Quick Quotes

**Q. How did you manage the rain delay, what did you do?**

SCOTTIE SCHEFFLER: Sat in the clubhouse.

**Q. With the family?**

SCOTTIE SCHEFFLER: Yeah. Meredith and Bennett were there, so we just hung out, changed a diaper, and tried to get him to stop crying, but it was cold in there, so it was a little tough.

**Q. How would you assess the day before and after the delay?**

SCOTTIE SCHEFFLER: After the delay I came out and hit some really nice shots. It was nice to birdie 18 to finish. Before that I feel like I played a lot of solid golf and did some good things, so overall it was I think a pretty solid day.

**Q. Missed only two greens through two days, four fairways in two days, feels like ball striking kind of back where you want it maybe after not as well last week?**

SCOTTIE SCHEFFLER: Yeah, definitely better than last week. I felt, like I said yesterday, I found a little stuff in my swing and feel like I'm seeing the breaks a lot better on these greens. Definitely feeling some good momentum from the last two days.

**Q. Did you think the longer you waited they waited it out that you would not get back out or you thought they might?**

SCOTTIE SCHEFFLER: I mean, you're always holding out hope, just with the amount of daylight we had and there wasn't many groups left on the course, but the course did take a lot of rain so we were fortunate to get back out there.
